10A fuse (eng cont)  
keeps blowing I'm  
sorry, but I am not  
really certain which  
fuse you are describing  
because the service  
manual only uses fuse  
NUMBERS to positively  
identify the fuses.  
There should be a fuse  
number map on the lid  
to your fuse block or  
the fuse block itself will  
have numbers on it.
