I planning to have an engine upgrade-swap soon, however I dont know what engine I can best use with my e36, M43 318i automatic. some suggest M3. a friend with a car like mine, though manual, replaced his with Z3. will a 320 fit in? I want to do the least modification, a best plug and play engine will do, thanks in advance.

BMW 318is Engine swap to a 2.5L? I am considering doing an engine swap on my BMW 318is. it's an e36. The car has a blown head gasket, and I figured I might as well upgrade the engine for the price of doing a head job. so, My question is, will a 2.5L and all the other drive-train parts bolt right to my 318is body?
