Finance And The Good Society

Finance and the Good Society is Shiller's most recent work on the state and role of finance in society. Given the economic climate and the time weve now had to reflect, the book is a good addition to literature of late, which has primarily been focused on causes with a sprinkle of literature suggesting solutions.

Finance and the Good Society: Shiller, Robert J ...

Finance and the Good Society was a well thought out and articulate collection of essays from the author. It is a little idealistic, but Schiller message is that wealth is a function of a functioning

financial system that allow us to be productive in an organized coordinated framework.

Finance and the Good Society by Robert J. Shiller

"Finance and the Good Society is a provocative call for understanding, then reinventing finance as a force that could create inclusive prosperity. Shiller acknowledges the excesses, inequalities, and unfortunate incentives to sleaziness in the current financial system but says it doesn't have to be that way.

"Building a good society requires finance—but we can probably all agree that finance has often failed. Shiller's book helps chart a possible way forward."—Jonathan Warner, European Legacy
"Finance and the Good Society is a provocative call for understanding, then reinventing finance as a force that could create inclusive prosperity. Shiller acknowledges the excesses, inequalities, and unfortunate incentives to sleaziness in the current financial system but says it doesn't have to be that ...

Finance and the Good Society | Princeton University Press

We need more financial innovation--not less--and finance should play a larger role in helping society achieve its goals. Challenging the public and its leaders to rethink finance and its role in society, Shiller argues that finance should be defined not merely as the manipulation of money or the management of risk but as the stewardship of society's assets.

Finance and the Good Society on JSTOR

Generally, finance's function is to manage and increase the wealth of investors and savers. Contrast that with historical definitions of the "good society," which strives for the ideals of equity and fairness for all: rich, poor and middle class.

Finance and the Good Society Free Summary by Robert J. Shiller

Abstract The author examines whether the actions of financial institutions help people pursue their individual goals and feel at peace with society. He concludes that finance can be redesigned to fit better with the notion of the "good society."

Financial capitalism is an invention, and the process of inventing it is hardly over. The system has to be thoughtfully guided into the future. Most importantly, it has to be further expanded and...

Finance and the Good Society : NPR

Finance is a “functional” science that exists to support other goals – those of society. And the better aligned a society’s financial institutions are with its goals and ideals, the stronger and more successful the society will be. To create that kind of alignment, we must begin to think about finance differently.
