Imagining Multilingual Schools: Language in Education and ...

This book clearly offers a space for in-depth thinking about the construction of multilingual schools. For the reader interested in imagining actual possibilities, it also offers a space for witnessing the realities of language diversity and co-existence, of respect to human and language rights, and of recognition of traditionally marginalized peoples.

Imagining Multilingual Schools - Languages in Education ...

Chapter 3: Imagining Multilingual Education in France: A Language and Cultural Awareness Project at Primary Level (Christine Hélot and Andrea Young) This chapter presents a language awareness project in a primary school in Alsace, France where, over three years, children aged 6 to 9 have been introduced to 18 languages and their associated cultures. The aims of the project were twofold - to legitimate the regional and immigration languages of some of the pupils in the eyes of all learners ...

Multilingual education ' is education where more than two languages are used as languages of instruction in subjects other than the languages themselves.

Imagining Multilingual Schools by Jennifer Marie Bayer

This book clearly offers a space for in-depth thinking about the construction of multilingual schools. For the reader interested in imagining actual possibilities, it also offers a space for witnessing the realities of language diversity and co-existence, of respect to human and language rights, and of recognition of traditionally marginalized peoples.

Imagining Multilingual Schools by Ofelia García, Tove ...

Most schools are not "bilingual" schools, or "immersion" schools, or indeed any kind of language-based school model. Many schools believe that their only job is to ensure that all their pupils master the language of the school, which therefore absolves them from any need to support multilingualism or the development of their pupils ...

Five ways your school can support multilingualism - on ...

Imagining multilingual schools in France is both a challenging question and one that should not be considered as utopian. Nowadays, a growing numberofchildreninFrenchschoolsareindeedmultilingual,butthisdoes not mean our classrooms have become multilingual. We would define a multilingual school as a place where linguistic and cultural diversity is

Imagining Multilingual Education in France: A Language and ...

Researchers have discovered that by encouraging multilingual students to use their home languages alongside the language of the classroom, they come to view themselves as talented and accomplished speakers of multiple languages who are more likely to engage academically, rather than feeling limited by their current abilities in the school language.

How Can Teachers Maximize Engagement among Multilingual ...

-- Rebecca Freeman Field * Language Policy (2008) 7 * This book clearly offers a space for in-depth thinking about the construction of multilingual schools. For the reader interested in imagining actual possibilities, it also offers a space for witnessing the realities of language diversity and co-existence, of respect to human and language rights, and of recognition of traditionally marginalized peoples.
