Well if it is of any value to you I used to run quite often with a guy that had and still has a CH-Mack with a 427 and a 13 speed. My truck at the time had a 400hp Cummins big cam four,high output Holset turbo and a 10 speed.We never hauled less than 80,000# in hilly New England terrain and that 427 used to do very well on the hills.
