You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Reassembling The Social An Introduction

Reassembling the Social: An Introduction to Actor-Network-Theory (Clarendon Lectures in Management Studies) 1st Edition by Bruno Latour (Author)

Amazon.com: Reassembling the Social: An Introduction to ...

Reassembling the Social is a fundamental challenge from one of the world's leading social theorists to how we understand society and the 'social'. Bruno Latour's contention is that the word 'social', as used by Social Scientists, has become laden with assumptions to the point where it has become misnomer.

Latour is widely considered a critic and renewer of research in the social sciences. The ecologically minded Left has also acclaimed him as a theorist interested in bringing nature back both into sociological theory and into society and politics. To enable a more detailed discussion of Latour's claims, I will here outline his theory and the ways in which it is related to classical theory ...
