category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

The Nature Principle Human Restoration

Louv's "Nature Principle" consists of seven precepts, including balancing technology excess with time in nature; a mind/body/nature connection, which Louv calls "vitamin N," that enhances physical and mental health; expanding our sense of community to include all living things; and purposefully developing a spiritual, psychological, physical attachment to a region and its natural history.
