Why Do Nations Trade? | KnowsWhy.com

Historically, one of the oldest expressions of international relations was the establishment of treaties and agreements between nations. Maintenance of these treaties ensured that ordinary people could go about their everyday tasks of earning a living and raising their families rather than dedicating themselves to armed conflict with neighbors.

The Importance of International Relations | Synonym

That brings us to the question of why nations trade. Nations clearly trade a lot, but it is not quite obvious why they do so. Put differently, why do private individuals and firms take the trouble of conducting business with people who live far away, speak different languages, and operate under different legal and economic systems, when they can trade with fellow citizens
